“We cannot live only for ourselves. A thousand fibers connect us with our fellow men; and among those fibers, as sympathetic threads, our actions run as causes, and they come back to us as effects.”

~Herman Melville ~ American Novelist, Poet, Philosopher

PRINCIPAL’S CORNER

November, 2013

Dear Friends,

We help them make connections and when they connect, they learn. Increasingly so, the challenge is to create the opportunities to help them connect clearly, concisely and consistently in ways that tie academic rigor to social and emotional postures that set them on the path that will ensure their readiness to carry and care for our future so that they will work toward what is “good”. We need them to know how to lead, how to stand strong in convictions that bring virtue to all aspects of their learning process. This is no easy order.

Ancient philosophers contemplated this same order ~ seeking to understand the motivation that would drive the outcome. Plato (427BC – 347BC) said “Human behavior flows from three main sources: desire, emotion and knowledge.” By trying to understand each, he and others from his time made many recommendations applicable to today’s world. So what is different?

We live with a new set of societal platforms across the seas and borders that define our countries. Our children are exposed to conflicting messages that although still flowing from “desire, emotion and knowledge” ~ come at them faster, in sensory-based, stimulating ways. Different from in the past, their virtual world is not solely comprised from their imagination and play that comes from a unified social order. They have many suggestions just a click away ~ be it through television, software, music, art, sports or what they read. They live with the information network and this makes our jobs a bit harder as the adults in their lives.

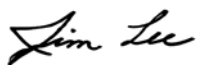

For example, we can tell them not to swear ~ but they will hear swearing in songs, from sports heroes, actors, in books, from older siblings and it is much more socially acceptable than it was years ago. Society is highly sexualized and messages often center on tying pleasure and immediate gratification to happiness. Something as simple as how to speak and dress requires conversation about places of respect, time and place and making good judgments. More than ever before, it is my opinion that our young need to be involved in conversations about making good decisions in all they endeavor.

I am writing about this because in the wake of all of this week’s celebration over the World Series win ~ we have had school-based shooting and murder, mass shootings and messages that ~ although positive ~ bring the marathon bombing back to center stage. Our young take all of this in at every developmental level and when they lack knowledge and experience to process in a productive way ~ they still process it and it becomes a part of their learning.

Therefore, I would like to encourage all of you to take the opportunity that came in the celebration to discuss what it means to be a championship team. What led to it? I suggest that the championship came about due to excellent teamwork, hard work, dedication, thought tied to action, learning from one’s mistakes, taking pride in one’s work, making a team and/or family proud, remembering to pay tribute to those less fortunate and resiliency. We are talking about the healthy relationships that support the learning that brings the knowledge to tie desire and emotion with all that makes humans good.

Because the stories and happenings of our world ~ both good and bad ~ move faster and hold powerful impact, let’s use every opportunity to talk with our young and process what is going on in a way that helps them connect and combine their academic, social and emotional learning with the kind of judgment that supports good decision-making, strong character-building and the resiliency that puts our future in the hands of those who are ready to lead in ways that make the world a better place.

All best,

Jim Lee, Principal

This and That from the Principal's Office:

Movie Night ~ A huge success!!!

A Big "THANK YOU!" goes out to our PTO Movie Night Committee, Elena Taxiarchis and Lisa Moscoffian, Lynn Kennedy, Julie Potter, Laura Byrne and Sandra O'Driscoll! It was an *amazing* happening this year! The children were so well-behaved and we even had several of our alumni volunteer their time to work! All who attended were able to curl up on blankets, chairs and share a fun movie, delicious popcorn and great company! It was truly a terrific community event!

School Meeting Assemblies will be every Monday unless there is a holiday or school cancelation. Assemblies run from 9:00 a.m. – 9:30 a.m. All are welcome!

Lost and Found:

Keep checking. In the past two years, many come to find and we are happy that it has remained a smaller collection than in the past. However, with the change of season approaching, children bring more in the way of clothing and related equipment and inevitably there are items lost and never found. Please take a look around!

At this point in the year, all classes have reviewed our Acceptable Use Policy and LARK. The details of LARK can be complicated for many of our elementary students. We simplified **LARK**

Legal - ask permission

Appropriate - school tools are for school work

Responsible - take care of yourself, others and the environment

Kind - with your words

as follows:

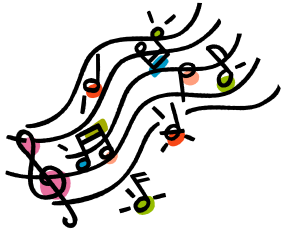

To add further understanding to LARK, we use lessons from the Digital Citizenship curriculum from [Common Sense Media](#). Common Sense Media is dedicated to providing families with the necessary information to make informed decisions about the media they consume. Their curriculum empowers students to think critically, behave safely and participate responsibly in our digital world. This is a wonderful resource for everyone in this fast paced digital world.

At our October 28th assembly, the tech crew shared Common Sense Media's [Pause and Think Online video](#). Then during technology class, we reviewed the 5 behaviors of a good digital citizen - which all connect to LARK. The video is a fun way to remind all of us about modeling appropriate online behaviors. Ask your child if they remember all 5?

Further details regarding grade level specific lessons on Digital Citizenship can be found on [my website](#).

We will continue these conversations and more in all grade levels throughout the year. Stay safe and pause and think online.

Dear Parents,
I want you to know that I will be away from November 9 through December 10. I will be in Beijing, China with students from Wayland high school participating in a student/teacher exchange program. In China, I will be teaching music to elementary and middle school children. I am looking forward to working in a Chinese school and to sharing my experiences with my Wayland students upon my return.

During my absence, music classes will be covered by one of two music teachers — Ms. Patrice Buckley or Mrs. Kathryn Welter. They are looking forward to sharing their musical talents with my Happy Hollow students.

Happy Thanksgiving to all!
Dr. Susan Calkins

Green Team Announcement & Tips

The next Green Team meeting is on November 18th at Happy Hollow from 4:00-5:30.

Tips for Saving Energy

- 1- During cold months, lower your thermostat to 68° by day and 60°-62° by night.
- 2- Adjust your water heater's temperature to between 115° and 120° and save on water heating costs. And if you go away for more than a weekend, turn it down to the "vacation" setting.
- 3- Replace your incandescent and CFL light bulbs with LEDs, which are now available at reasonable costs. Look for CREE bulbs, for example, at Home Depot or on Amazon.
- 4- Use powerstrips to plug in all electronics and turn off powerstrips when not in use. This avoids phantom loads. Turn off your computers at night (this will not harm them).
- 5- Test for air leaks next to windows, doors, electrical boxes, plumbing fixtures, electrical outlets, ceiling fixtures, attic hatches and other locations where there is a possible air path to the outside. These areas may need caulking, sealing or weather stripping.,

For more information about the Green Team, go to www.waylandgreenteam.org. Please see the Transition Wayland website at <http://blog.transitionwayland.org/> for more info on related events in Wayland.

Thank you. -Wayland Schools Green Team

GREEN TEAM PARENT VOLUNTEER NEEDED

The PTO is looking for a Parent Representative to help coordinate Green Team activities at Happy Hollow. Volunteers, teachers and students plant, water and harvest our gardens, and now serve produce in our cafeteria. Events include Earth Day in April, and National Food/Harvest Day in the fall. Questions can be directed to Deborah Niles, second grade teacher, at deborah_niles@wayland.k12.ma.us.

BOOK FAIR COORDINATOR FOR NEXT YEAR

Do you and your children love the book fair? It is a Happy Hollow favorite, and the PTO is looking for a Scholastic Book Fair coordinator for next year. We are hoping to find a parent who is able to shadow our long-time coordinators for the last two book fairs of the school year (March and June) to learn the ropes. If you are interested, contact Lynne Cribben (lcribben@yahoo.com) to learn more!

HOLIDAY TOY DRIVE CO-COORDINATOR

For the 6th year, Happy Hollow will collect holiday gifts for children currently in Foster Care under the care of the Massachusetts Department of Children and Families. This is a wonderful opportunity to give back. Our long-time coordinator is in her last year at Happy Hollow and is looking for someone to help out this year who would then take over next year. What a great holiday gift idea, and a fun community event!

6th ANNUAL PTO HOLIDAY TOY DRIVE for CHILDREN in FOSTER CARE

For the 6th year, Happy Hollow will collect holiday gifts for children currently in Foster Care under the care of the Massachusetts Department of Children and Families. Children in Foster Care represent some of the most at-risk children in the Commonwealth. They have suffered more loss and hardships in their short lives than most adults. Our support can significantly build their feelings of self-worth and bring a ray of sunshine into their lives during the holiday season. In many cases these will be the only gifts the children receive during the holiday season.

This is a wonderful opportunity to share the gift of giving with your children or partner up with another family and sponsor a child. Your participation will allow these children to personally experience the special love and caring that the holiday season is all about.

If you would like to sponsor a child please send an email to Alexia Obar at obars@verizon.net with **SPONSOR A FOSTER CHILD** in the subject line. Please include YOUR CHILD'S FIRST AND LAST NAME AND THEIR TEACHER'S NAME. You will receive an envelope with information on a foster child via your child's backpack BEFORE Thanksgiving. When possible, you will be matched with a similar aged child. There are a few families with more than one child, so if you are interested in sponsoring more than one child, please let Alexia know.

Any questions, please call Alexia Obar at (508) 647-0881 or email her at obars@verizon.net. Also, this is Alexia's last year at HH, so she is looking for someone to help out this year and to take over next year. Please let her know if you're interested in chairing next year. It is a once-a-year event that doesn't take too much time and brings great reward to our community and some needy children.

Do You Know...Where the PTO spends your **Gift Your Child** donations?

- **PTO Halloween Movie Night
- **New Playground Equipment
- **Talent Show
- **Recorder Concert
- **New Sound System

- **Sol y Canto
- **Laser Mania!
- **Race to Nowhere
- **Fifth Grade Play
- **Museum of Science
- **Potato Hills Poetry

The PTO has provided this much (and more!) for Happy Hollow using **Gift Your Child** donations.

Many thanks to the families who have already so generously donated. We have reached 75% of our goal for Part 1 (the fall fundraising drive), and this is amazing! In order to prepare for Part 2 (the Backpack Auction) later this winter, the fall fundraising drive will be wrapping up at the end of November. If you have not yet donated, please consider doing so today. It is easier than ever to donate on-line via PayPal at www.waylandpto.org. You may also return a check to your child's school (made out to "Wayland PTO") either by mail or in your child's backpack to the attention of *PTO: Gift Your child*.

ALL DONATIONS COUNT – whether you can give \$25, \$50, \$100 or more – participation is the goal, and every donation you are able to make will directly help the PTO continue to fund all of the educational enhancement programs listed above, as well as so many more.

We thank you for your continued support!

Wayland Public Schools Directories

There are still a limited number of 2013-2014 Wayland Public Schools Directories available for purchase. The directory is an invaluable resource with contact information for all (listed) children grades K-12 in the Wayland Public Schools. It also includes a school calendar, school district contact information, and a monthly planner – all in one convenient book!

You can order a directory on-line through PayPal at www.waylandpto.org and it will be sent home to you in your child's backpack.

Do you have a talent or ability to share with the community? Consider donating to the **GIFT YOUR CHILD BACKPACK AUCTION!**

The Gift Your Child Backpack Auction Committee is busy rounding up annual favorites including camps, experiences with the local fire and safety departments, varsity sports, and teacher items for this year's Backpack Auction. Over the past two years, with great success, we have expanded the Backpack Auction offerings a bit to include some of the many talented members of our community. We would like to, again, extend the invitation to anyone within the

Wayland community who might be able to offer a unique or special experience to please consider donating to the auction. This could be anything from sharing a hobby (knitting lessons, sports lessons, photography, baking lessons, cooking an ethnic dish, etc.), to something pertaining to your career (author, musician, athlete, artist, event planner, etc.), perhaps a donation from a family-run, Wayland business in the form of an item or experience (architect, baker, photographer, musician, restaurant, etc.), or even event tickets, time in a vacation home or some other meaningful item that Wayland families would enjoy bidding on.

If you have an idea for an experience that you could share with a winner (adult, child and friend, group of children, etc.) or something you'd like to offer to the elementary school community to bid on, please contact Amy Simmons (simmons221@comcast.net) by Friday, November 22.

And look for the Backpack Auction catalogue coming to a backpack near you this January!!

ALL 5th Grade Parents

5TH GRADE MEMORY BOOK

We need an individual Kindergarten photograph of your child to include in this year's Memory Book and slideshow. The younger picture you provide will be shown next to their 5th grade picture. The Kindergarten photo can be a school picture or a picture taken at home. If you have photos from class field trips, performances, field day, concerts, presentations and assemblies from k-4th grade or during this year's school year, we'd like to include them also, so please send them in. In addition, please also send in a baby picture (infant or toddler) and elementary grade picture (2nd or 3rd grade doing something he/she enjoys doing) of your 5th grader.

Important: We need your photos as soon as possible, in order to create the best Memory Book for your children. The deadline for submitting the photos of your 5th grader is November 27th.

Ways to submit your photo:

- Email digital copy: hmemorybook@gmail.com
- Hard copy: Put in your child's backpack for his/her teacher.
- Mail: Lori Caddoo, 269 Old Connecticut Path, Wayland, MA 01778

Questions: Contact Lori Caddoo at hmemorybook@gmail.com.

Please clearly label all photographs with student's name, year taken and event. We will be sure to return all photographs submitted.

NOTE: The Yearbook staff will review all photos and determine final yearbook content. We cannot guarantee that all submissions can be used in the book.

5TH GRADE ACTIVITIES AND CONTRIBUTIONS

In order to pay for the activities we have planned for our 5th graders this year (5th Grade Bash, Play, Pool Party and Beach Party) as well as to cover the cost of special 5th grade items (t-shirt, yearbook, class gift, slide show), we need to collect a \$60 contribution for each 5th grade child. We are also planning a 5th grade event at Roller Kingdom, for which there may be an additional charge, although the 5th Grade Activities Committee will attempt to cover such cost by fundraising if possible.

Contribution checks for each 5th grader should be made payable to **'Wayland Elementary Schools PTO'** and placed in an envelope with **'5th Grade Contribution - Happy Hollow PTO'** written on the front. Envelopes should be placed in the HH PTO mailbox labeled 5th Grade Activities (bottom slot) in the front foyer of HH or, if your child is a METCO child, the envelopes can be returned in your child's folder and the teacher will take care of it. For further inquiries and scholarship aid information, please contact Nancy Funkhouser, our 5th Grade Activities Treasurer, at nancyfunkhouser@verizon.net. All contributions are due by **December 2nd, 2013**.

If you are the parent of a 5th grader, and you have not yet received an email with an attached letter outlining the activities planned for the 5th graders this year from the Chair of the 5th Grade Activities Committee, Tamara Kolz Griffin, please contact Tamara at tamarakolz@live.com or [508-275-3102](tel:508-275-3102) so that she may add you to the parent email list to keep you updated of all 5th grade activities.
